

PUJA GROVER

2014

TITLE: ENTANGLED II

MEDIUM: ACRYLIC ON CANVAS

SIZE: 24X36 IN

FRAME: FLOATING, WOOD, BLACK

ABOUT THE ART WORK:

Tied up in the cycle of life to make a living our soul gets bruised and torn apart many a times. We get caught up in the hunger for power and pleasure and loose the road that connects us with our true Self and our loved ones. This road that connects us with our true selves is always there but gets clouded by our ego and we get entangled in our own desires.
